UNITED NATIONS
COMPENSATION COMMISSION
GOVERNING COUNCIL

Decision concerning claims pending in the database that contain personal losses taken
by the Governing Council of the United Nations Compensation Commission
at its 158th meeting on 22 February 2007

The Governing Council,

Recalling that at the sixty-first session held on 31 October 2006 and 2 to 3 November 2006, the Governing Council considered the issue of fifty-six claims marked pending in the United Nations Compensation Commission database,

Recalling also that the Governing Council determined that the detainee or missing person-related losses in these claims would not be considered for processing or compensation as it had established 30 September 2004 as the final filing deadline for the submission of claims under decision 12 (S/AC.26/1992/12) and no new claims had been filed or requests submitted concerning these persons,

Recalling further that the Governing Council determined that the other personal losses contained in these claims were filed within the filing deadlines and could have been severed from the detainee or missing person-related losses, and directed the secretariat to process these claims “as is”, applying the appropriate methodologies and further directed the Executive Secretary to report the valuation results to the Governing Council for its consideration,

Having received the report of the Executive Secretary dated 23 January 2007 concerning the valuation results,

1. Decides that the awards for these claims are as follows:¹

<i>Submitting entity</i>	<i>Number of claims recommended for payment</i>	<i>Amount of compensation claimed^a (US\$)</i>	<i>Amount of compensation recommended (US\$)</i>

UNDP Washington	1	108,996.53	73,231.36
Total	7	240,486.88	151,571.12

^a Amounts claimed relate to other personal losses and do not include amounts claimed for detainee or missing person-related losses for serious personal injury and mental pain and anguish or family member claims for losses resulting from the death or presumed death of the detainee or missing person.

2. Reaffirms that when funds become available payments shall be made in accordance with decision 256 (S/AC.26/Dec.256 (2005)),

3. Recalls that when payments are made in accordance with decision 256, and pursuant to the terms of decision 18 (S/AC.26/Dec.18 (1994)), submitting entities shall distribute amounts received to the designated claimants in respect of approved awards within six months of receiving payment, and shall, not later than three months after the expiration of this time limit, provide information on such distribution,

4. Requests the Executive Secretary to provide a copy of this decision to the Government of the Republic of Iraq and to each respective submitting entity.

¹ In conformity with the provisions of article 40, paragraph 5 of the Rules, information concerning the identities of individual claimants and the amount to be paid to each individual claimant will not be made public, but will be provided to each Government separately.
