UNITED NATIONS  
COMPENSATION COMMISSION  
GOVERNING COUNCIL

TWENTIETH REPORT OF THE EXECUTIVE SECRETARY PURSUANT TO  
ARTICLE 41 OF THE PROVISIONAL RULES FOR CLAIMS PROCEDURE

### Introduction

1. The present report identifies, pursuant to article 41 of the United Nations Compensation Commission's (the "Commission") Provisional Rules for Claims Procedure (S/AC.26/1992/10) (the "Rules"), recommended corrections in the various claims categories since the "Nineteenth report of the Executive Secretary pursuant to article 41 of the Provisional Rules for Claims Procedure" (S/AC.26/2002/29) (the "nineteenth article 41 report"). Chapter I of this report contains recommended corrections concerning claims in categories "A" and "C", where the panels of Commissioners have concluded their work. Chapter II provides information concerning requests by claimants for corrections to approved awards under article 41 of the Rules, including a report of the secretariat's review to determine whether or not these requests warrant action under article 41. A table containing article 41 corrections to claims awards (up to the forty-fifth session of the Governing Council) is attached as annex III.

#### I. RECOMMENDED CORRECTIONS CONCERNING CLAIMS IN CATEGORIES "A" AND "C"

##### A. Category "A" corrections

2. Recommendations for corrections to category "A" claims include the following kinds of corrections: duplicate claims; reinstatement of claims previously identified as duplicates; individual to family; higher to lower amounts; lower to higher amounts; and changes to the submitting/responsible entity information.

##### 1. Duplicate claims

3. Further to a notice received from the Government of the Philippines, four claims from the Philippines have been found to be duplicates of other claims that were awarded compensation in category "A". No compensation should have been awarded for these duplicate claims.

4. Accordingly, as set forth in table 1 below, it is recommended that the awards for these claims be corrected. Table 1 identifies the country concerned, the instalments to be adjusted, the number of claims affected, and the net effect of the adjustments.

Table 1. Category "A" corrections: duplicate claims

<u>Country</u>	<u>Instalment</u>	<u>Number of claims affected</u>	<u>Amount of net effect (USD)</u>
Philippines	Fourth	1	(8,000.00)
	Fifth	3	(12,000.00)
<u>Total</u>		4	(20,000.00)

##### 2. Reinstatement of claims previously identified as duplicates

5. Six claims from the Philippines and two claims from Sri Lanka erroneously identified as duplicates should be reinstated since additional information received from those Governments demonstrates that the claims are not in fact duplicates.

6. Accordingly, as set forth in table 2 below, it is recommended that the awards for these claims be corrected. Table 2 identifies the countries concerned, the instalments to be adjusted, the number of claims affected, and the net effect of the adjustments.

Table 2. Category “A” corrections: reinstatement of claims previously identified as duplicates

<u>Country</u>	<u>Instalment</u>	<u>Number of claims affected</u>	<u>Amount of net effect (USD)</u>
Philippines	Sixth	6	24,000.00
Sri Lanka	Fourth	1	4,000.00
	Sixth	1	4,000.00
<u>Total</u>		8	32,000.00

### 3. Individual to family

7. One claim from China, one claim from Pakistan and one claim from UNDP Washington were incorrectly awarded individual claim amounts because the information relating to family members had mistakenly not been entered on the computer disks submitted to the Commission. The awards for these claims should be increased to the amounts appropriate to the proper status of the claims.

8. Accordingly, as set forth in table 3 below, it is recommended that the award amounts for these claims be corrected. Table 3 identifies the countries and international organisation concerned, the instalments to be adjusted, the number of claims affected, and the net effect of the adjustments.

Table 3. Category “A” corrections: individual to family

<u>Country or international organization</u>	<u>Instalment</u>	<u>Number of claims affected</u>	<u>Amount of net effect (USD)</u>
China	Fifth	1	4,000.00
Pakistan	Sixth	1	2,500.00
UNDP Washington	Sixth	1	2,500.00
<u>Total</u>		3	9,000.00

### 4. Higher to lower amounts

9. Decision 21 (S/AC.26/Dec.21 (1994)) of the Governing Council states that “any claimant who has selected a higher amount in category ‘A’ (USD 4,000 or USD 8,000) and has also filed a category ‘B’, ‘C’ or ‘D’ claim will be deemed to have selected the corresponding lower amount under category ‘A’”. Five claims from the Philippines have been identified as having been filed for higher amounts in category “A” by claimants who also filed claims in category “C”. The awards for the category “A” claims should be reduced to an amount appropriate to the proper status of the claims.

10. Accordingly, as set forth in table 4 below, it is recommended that the award amounts for these claims be corrected. Table 4 identifies the country concerned, the instalments to be adjusted, the number of claims affected, and the net effect of the adjustments.

Table 4. Category "A" corrections: higher to lower amounts

<u>Country</u>	<u>Instalment</u>	<u>Number of claims affected</u>	<u>Amount of net effect (USD)</u>
Philippines	Fourth	1	(1,500.00)
	Fifth	3	(4,500.00)
	Sixth	1	(1,500.00)
<u>Total</u>		5	(7,500.00)

5. Lower to higher amounts

11. Upon review of original paper claim files submitted by the Governments of Australia, Austria, Bangladesh, Brazil, Bulgaria, France, Iran, Ireland, Italy, Jordan, Kuwait, Lebanon, Morocco, Pakistan, Philippines, the Republic of Korea, Romania, Slovakia, Sri Lanka, the Syrian Arab Republic, Thailand, Turkey, UNHCR Canada and the United States, as requested by the Governing Council at its December 2001 session, it is confirmed that 1,874 claimants had selected the higher amounts of compensation on the paper claim forms while lower amounts had erroneously been entered in the electronic claim formats submitted to the Commission. The awards for these claims should, therefore, be increased to the amounts appropriate to the proper status of the claims.

12. Accordingly, as set forth in table 5 below, it is recommended that the award amounts for these claims be corrected. Table 5 identifies the countries and international organisation concerned, the instalments to be adjusted, the number of claims affected, and the net effect of the adjustments.

#### 6. Change of submitting/responsible entity information

13. At the request of the claimants and with the agreement of the relevant Governments and international organizations, the submitting/responsible entity in respect of one category "A" claim should be transferred from UNDP Yemen to the Philippines, and in respect of another category "A" claim should be transferred from Egypt to UNRWA Gaza. These proposed corrections will not affect the award amounts approved by the Governing Council for the two claims, but will permit the Commission's Claims Payment Section to effect payment of the awards through the appropriate responsible entity.

14. Accordingly, as set forth in table 6 below, it is recommended that one claim be transferred from the UNDP Yemen to the Philippines and the other claim be transferred from Egypt to UNRWA Gaza. Table 6 identifies the countries concerned, the instalments to be adjusted, the number of claims affected, and the net effect of the adjustment.

UNRWA Gaza	Fourth	1	5,000

## 7. Summary

15. The recommended corrections in category “A” concern 1904 claims submitted by 24 Governments and two international organisations resulting in a net increase in the total amount awarded of USD 3,739,500.00. Of these, the total amount awarded for 1,885 claims was increased by USD 3,767,000.00, while the total amount awarded for nine claims was decreased by USD 27,500.00. The recommendations for the first, second, third, fourth, fifth and sixth instalments of category “A” claims, by country or international organisation and by instalment, are provided in tables 1 to 7 of annex I to this report.

### B. Category “C” corrections

16. The recommendation for a correction to a category “C” claim arises from a discrepancy between the electronic and paper claim formats.

#### 1. Correction arising from discrepancy between the electronic and paper claim format

17. During the period under review, the Commission reviewed nine claims pursuant to requests for corrections. From those reviews, a correction is recommended in respect of one category “C” claim. The recommendation applies the “C” Panel’s methodologies relative to the respective losses and considers only the timely filed information in the Commission’s paper claim format.

18. The recommendation for correction arises from a discrepancy between the electronic and paper claim formats identified by the secretariat after a review prompted by an inquiry from the Government of Egypt. The individual loss element for which the recommendation for correction is made concerns an individual business loss (“C8-Business”). The discrepancy between the electronic and paper claim formats has been determined to be the result of a clerical error in omitting the loss from the electronic claim format, that adversely affected the outcome for the claimant.

19. Accordingly, as set forth in table 7 below, it is recommended that the award amount for one claim be corrected. Table 7 identifies the country concerned, the instalment to be adjusted, the number of claims affected, and the net effect of the adjustment.

Table 7. Category “C” correction: correction arising from discrepancy between electronic and paper claim formats

<u>Country</u>	<u>Instalment</u>	<u>Number of claims affected</u>	<u>Amount of net effect (USD)</u>
Egypt	Fourth	1	53,342.85
<u>Total</u>		1	53,342.85

## 2. Summary

20. The recommended correction in category “C” concerns one claim submitted by one Government resulting in a net increase of the total awarded amount of USD 53,342.85. The recommendation for the fourth instalment of category “C” claims, by country and by instalment, is provided in tables 1 and 2 of annex II to this report.

## II. REQUESTS BY CLAIMANTS FOR ARTICLE 41 CORRECTIONS

21. During the period under review, the secretariat has continued its review of requests from Governments for corrections submitted under article 41 of the Rules. The requests are outlined below.

22. A number of Governments have requested clarification or review of awards made to claimants pursuant to decisions of the Governing Council and associated reports and recommendations of panels of Commissioners. These requests are as follows: Egypt (UNCC claim Nos. 5000089, 4002913, 4002662, 3000560, 3002534 and a request dated 5 August 2002 concerning two category “C” claimants); India (UNCC claim Nos. 142446, 3001664, 3000724, 3000676, 3000967, 3000665, 3001604 and 3000930); Jordan (UNCC claim Nos. 4002425, 3004345, 3004443, 3004347, 1600769, 3004260, 3004844, 3004944, 3004066); Kuwait (UNCC claim Nos. 4004915, 4004300, 4003481, 3006331 and 3007482); Pakistan (UNCC claim Nos. 3001886, 3001939, 3001912 and 3001978); Sweden (UNCC claim No. 3002032); Syrian Arab Republic (UNCC claim No. 3005163); and the United Kingdom (UNCC claim Nos. 3002366, 3002249, 3002420, 3002210, 3002256 and 4002031). The response of the Executive Secretary to these requests have not yet been conveyed to the claimant country due to the fact that the secretariat’s review of the specific claims in question, and, where appropriate, consultations with the respective panels of Commissioners, remains ongoing. Details concerning these requests, and the Executive Secretary’s recommendations to the Governing Council with respect thereto, will be contained in the Executive Secretary’s upcoming article 41 reports to the Governing Council.
